Editor's Notes

The annual staff would like to extend their appreciation to Mr. Joe Gruber for his help and guidance in putting together this addition of the *Entre Nous*. The evenings and Sunday afternoons he gave up for us were greatly appreciated, for this annual could not have been completed without his presence.

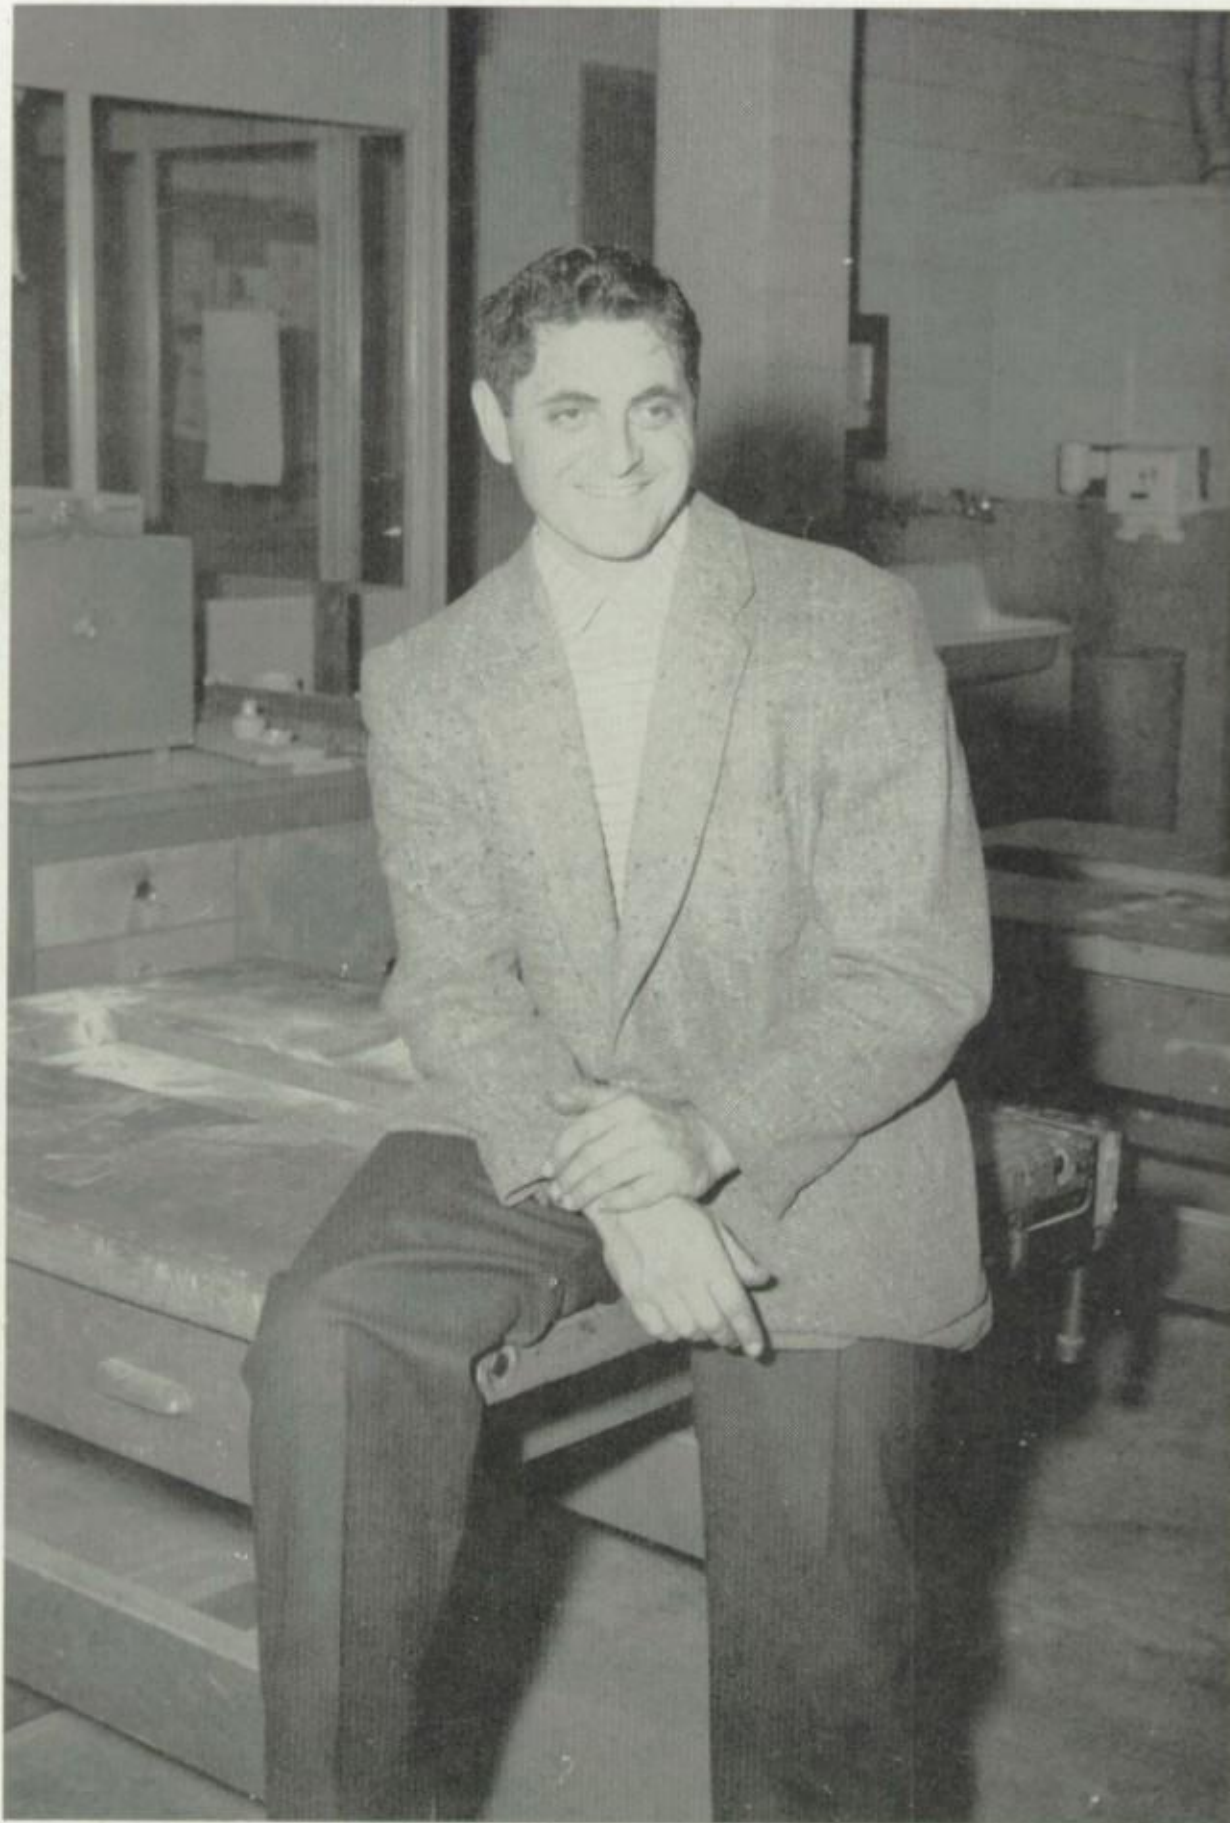

His harsh words often had some of us near tears, but we now realize that they were necessary for the publication of this annual.

The editors would like to take this time to acknowledge and give thanks to the many students who helped in every way possible to edit this annual. The following students deserve special mention;

Bonnie Jogerst
Martha MacNab
Kenneth Mahaffey
Bob Miller
Gary Nofsinger
Glenda Otto
John Ringley
Jane Roebuck
Rosemary Stansloski
Karen Thomas

Dedication

MR. PAUL CALVO

We, the Senior Class of 1959, wish to dedicate our edition of the *Entre Nous* to Mr. Paul Calvo who has been our class advisor for the last four years. Although he has many responsibilities he never once refused to give us some of his time when we needed and asked for it. He has done much to make our last four years in school memorable, and so, to you Mr. Calvo, we give this edition of the *Entre Nous*.

In Appreciation

MISS ELIZABETH NYDEGGER

We would also like to make special mention of our home room teacher during our Freshman and Sophomore years, Miss Nydegger. She encouraged and guided us for two momentous years of high school. Our gratitude goes out to her and we wish her to know that we will always appreciate her efforts on our behalf.

Class History

In September, in the year 1955, seventy-one Freshmen assembled in the Study Hall to begin their exciting years of high school.

Our class advisers, Miss Nydegger and Mr. Calvo, supervised our first class meeting where our class officers were elected: President, Joan Winkhart; Vice-President, Ronnie Surmay; Secretary, Kathy Bates, and Treasurer, Lois Edwards. The Student Council, our governing body, was represented by Lewis Page, Tom Hay, and Joan Winkhart. To represent us at the Homecoming Game, we chose lovely Martha MacNab. Our class projects of the first year were a subscription drive for magazines and the Freshman dance, featuring Gene Dillion as the radio personality.

To begin our Sophomore year we elected as our class officers the following: President, Joan Winkhart; Vice-President, Gary Nofsinger; Secretary, Brenda Stinson, and Treasurer, Tom Hay. Representatives to our Student Council were Joan Winkhart, Marlis Wanner, and Ronnie Newell. To help us with our problems, we had Miss Nydegger and Mr. Calvo as our advisers. To enlarge our class fund, paper drives and bake sales were organized. This was the year we chose our class jackets—gray with red lettering. After much deliberation in an assembly, Sandra Bechtel, Judy Whitmer, and Judy Riordan were chosen by popular demand to be our varsity cheerleaders. Our charming attendant to the Homecoming Queen was Brenda Stinson.

Our class officers for the Junior year were: President, Joan Winkhart; Vice-President, Don Stein; Secretary, Rochelle Johnston; Treasurer, Lewis Page. To begin our Junior year, we had Miss Nydegger and Mr. Calvo again for our advisers; but Miss Nydegger became ill during the year and had to leave school. Student Council members that were elected were Joan Winkhart, Lewis Page, and Tom Hay. Our money-making projects included the Junior Gyp Joint, dances after football and basketball games, and paper drives to raise money for the Prom. The highlight of the year was the Prom held at the Alliance County Club. Our Junior Play, Peck's Bad Boy, was quite a success. Margie Gaut was homecoming attendant our Junior year.

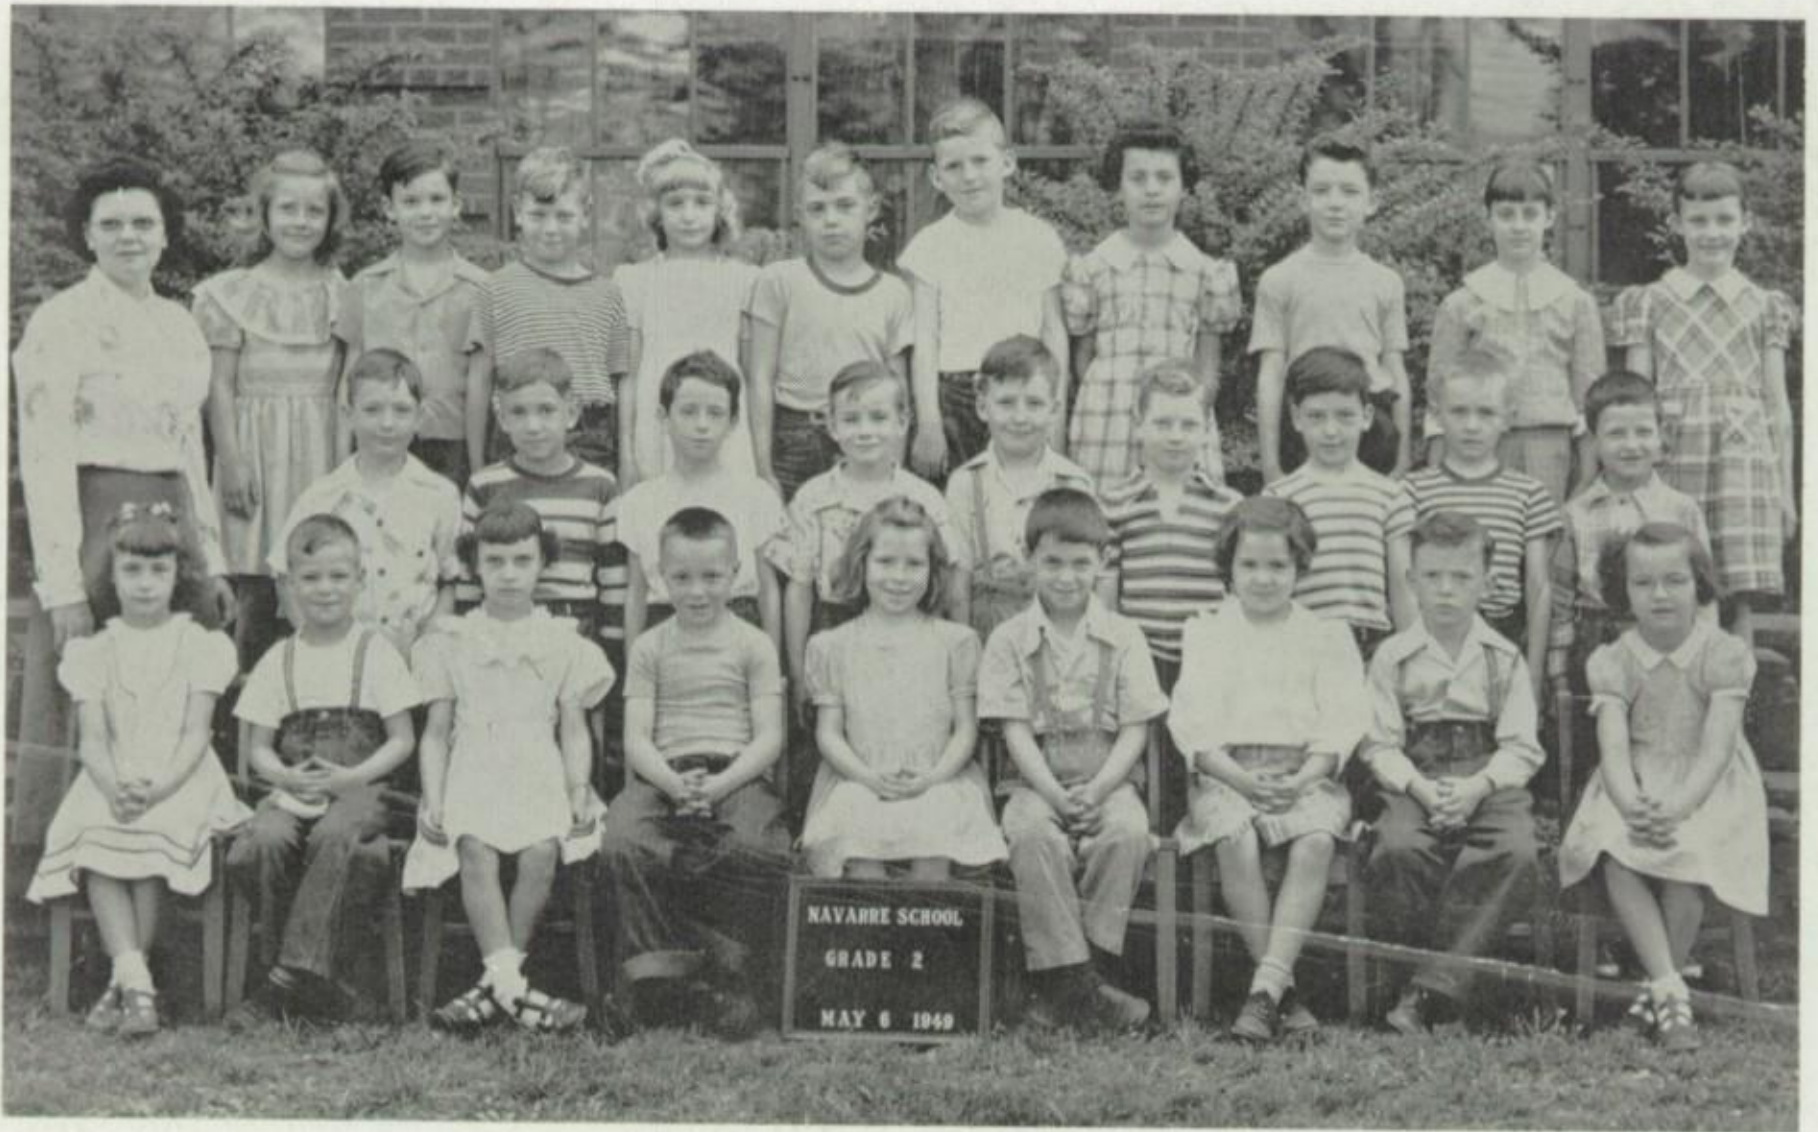

After much debate we chose our class rings and received them just in time for the Prom. For Girl's State, Marlis Wanner was chosen, and for Boy's State, Kenny Mahaffy and Tom Hay were chosen.

As our last year rolled around there were sixty-five members in our class. Again Mr. Calvo was one of our advisers; the other one was Mr. Hammond. Chosen to head the senior class this year were: President, Helen Sewell; Vice-President, Tom Hay; Secretary, Lois Edwards; Treasurer, Jerry Snyder. Elected to the Student Council were Helen Sewell, Marlis Wanner, and Lewis Page. Margie Gaut was the Homecoming Queen and Helen Sewell senior attendant.

Our money-making projects included sponsoring dances, organizing bake sales, and selling pens and pennants. *Time Out for Ginger*, our Senior Play was the best play ever put on at Navarre High School. Our senior trip will take us to New York and Washington. Our class colors are navy blue and white; the class flower is a white carnation; the class motto is, "We have crossed the bay, the ocean lies ahead."

Thus ends our history and begins our future.

The Student Council of Navarre High School is a group of students chosen by each high school class. Class officers are elected immediately before the Student Council election. The President of each class is automatically a member of the Council. Every year from the Freshman and Junior classes there are two boys and one girl chosen. From the Sophomore and Senior classes there are two girls and one boy chosen. At the first Council meeting the officers are elected. Mr. Wisard starts us off with his "cream of the crop" speech and very ably assists us through our activities.

Some of the Student Council's main activities are the selection of monitors, the sponsoring of the Homecoming game and dance, the revenue from the apple and pencil machines, and buying some of the scholarship tests.

The main interest of the Student Council is service to the school.

Congratulations—another born critic!

BORN in America—so he has freedom of speech. He's expressing it already—and he can go right on criticizing, discussing, debating for the rest of his life here. Nobody's ever going to tell *him* to shut up!

Imagine the difference, had he been born in a Communist country. He'd *never* be able to criticize *anything*. He couldn't sound off about taxes, government, job, prices, criticize public officials. Why not? Well, if he did he'd be shot.

We hope he becomes a good, honest, sincere critic. We hope he'll always stand right up and defend his rights. We hope he'll never be afraid to turn the spotlight on wrongs—so someone will take steps to right them. Because that's the American way, and it's an American right guaranteed by the Constitution. It's a *freedom*, and we're all *born* to it.

One thing we know: the rest of us aren't going to let anyone come in and rob him of this right, until he grows up and can

defend it for himself. We aren't going to trade our freedoms—any of them—for Iron Curtain conditions.

Will *you* stand up and defend your freedom of speech? If you do, nobody can ever take it away from you.
